

The Purpose of Victoria Walks Inc.

The Association is established to operate as a charitable non-profit institution for the public benefit to promote the prevention or the control of diseases in human beings, in particular to improve physical activity levels by increasing the number of people who walk by, without limitation:

- a) Increasing the number of people who walk every day;
- b) Promoting the creation of walkable neighbourhoods and communities;
- c) Promoting walking to improve people's health and well-being;
- d) Providing support and resources to enable communities to increase walking and improve walkability;
- e) Facilitating forums, undertaking and reviewing research, monitoring and reviewing policy, legislation and trends relating to walking and promote outcomes to the wider community; and
- f) Facilitating or funding organised activities and events that promote personal health, physical activity and walking.
